

In March we are very excited to be having a reduce, reuse, recycle week in which all of the activities we take part in will involve us recycling items into new trinkets & treasures.

We have made a great start to our snowflake fundraising! We've got £400 left to make to reach our target before the end of March, with lots of exciting activities coming up, including a sponsored dance, bake sale and more! ❄️❄️

We are using basic Makaton signs such as please, thank you, Toilet/nappy & more! All of the children have taken to this really well! We will be continuing this going forward & will also share this to Family, so that you can join in at home too!

WOW Moments

at Middlewood Nursery

World Book Day is coming up on the 2nd of March, each child will receive a book token which entitles them to a book! Gaynor has arranged for a selection of these to be delivered to nursery, so you can pick yours up from nursery if you like! We will also be having a fancy dress & PJ day to celebrate.

We have restarted our Elmore Little Library; 30 children have signed up so far! We will also be opening a parents lending library in the next few weeks! Watch this space!!

We are excited to announce that we will be taking part in the Green Tree Schools Award with the National Trust, which helps us to learn more about the environment & what we can do to keep it safe, while also collecting resources & certificates for our nursery! 🌳

We have made a plan to spruce up our outdoor area using different materials including cable reels, pallets & more! We ordered a new green house & different seeds so we can grow, cook & eat our own fruit & vegetables!

Our annual day trip will be taking place on Saturday the 5th August, we will be going to the Yorkshire Wildlife Park! We hope lots of you will be able to join us for a fun filled day!

Our BB & WO children are loving the Around the World topic! So much that we have decided to extend it! We are getting really good at starting to recognise flags from different countries, we have just built a kangaroo from Australia using completely recycled items! We have named him Bruce! 🦘

We are really excited about the upcoming visits we have from parents and family members who are coming in to talk to us about their jobs and also join in with activities and read stories! Coming up we have a builder, a lawyer and some guitar playing and special stories to share!
