

The Busy Bees have enjoyed their science topic as they love making potions with the water and have been developing their scooping & pouring skills 🐝🐝

The Wise Owls have been fantastic with practising their independence skills by chopping vegetables and practising using a knife during lunch time 🗡️🗡️

All the children really enjoyed our party for the king's coronation, the children enjoyed lots of yummy snacks and fun party games 🏰

WOW Moments

at Broomhill Nursery

All the children who have recently transitioned into new rooms have settled so well. The children have all shown such a huge growth in confidence as they are adapting and taking in their new environment.

Some of the children in the Wise Owls completed their nursery rhyme challenge, well done Wise Owls 🦉🦉

The Busy Bees and Wise Owls have really enjoyed starting their toothbrushing club. All the children have been doing an excellent job at cleaning their teeth 🦷🦷

The Wise Owls have been taking part in some fantastic science experiments. The children have been making rainbows with skittles and adding different liquids to see what happens 🌈

We have welcomed 2 new Cheshire Cats into the Elmore family! Both children have had amazing settling in visits and are enjoying the beginning of their Elmore journey 🐱🐱

The Cheshire Cats & Eager Beavers have been enjoying the wonderful weather and exploring the outside in the garden. They have done a great job at developing their gross motor skills and building obstacle courses and practising their balancing.

All the children have been enjoying spending more time outside as the sunshine keeps making an appearance, the Cheshire Cats & Eager Beavers are great at exploring & developing their gross motor skills, the Busy Bees have been on the hunt for bugs & have really enjoyed using the bikes & practising their balancing skills. The Wise Owls have been busy taking care of their allotment, growing vegetables & learning all about how to take care of the world. Well done everyone!
