at Ecclesfield Nursery

Our bi-weekly trips are still going ahead to the nursing home with a slight change. In working towards building relationships between the elderly & children we thought this would be best achieved in consistent groups of children visiting, meaning the children going on these trips will be going for the term with a new group of children selected for next term. But don't worry, we will ensure that every child will get a turn to go!

This month's topic is 'Our creations'. We can't wait to see what lovely, thought-inspired inventions come from the brilliant little minds of Elmore!

Celebration days

In December we have some very exciting celebrations coming up, including Christmas Jumper Day on the 7th, Hanukkah from the 7th - 15th & Christmas Day on the 25th of December!

Parent catch up's have been taken place between the last week of Nov & will be following through to mid Dec. During this the practitioners will give you a brief overview on your child's development whilst allowing for an opportunity for you ask any questions needed. This allows for the children to see their teachers & parents working in partnership solidifying the children's trust in Elmore staff.

There are lots of countries around the world who celebrate Christmas but in lots of different ways! Did you know some people have a BBQ on Christmas day & in Germany families light a candle every Sunday up to Christmas on a wreath they call an Adventskranz. We can't wait to find out more & would love to hear about any traditions your family might have too!
